Dura – Light Construction Method

Gulf Stream utilizes state-of-the –art, light weight and reliable materials along with the most durable methods of construction known in travel trailer production. Vacuum bonded side walls and floors add superior strength and longevity. All openings are framed for added backbone and stability. Center beam / cross joist floor support with compound outriggers give the foundation unmatched capabilities. Radius roof truss system with hardwood decking and a TPO membrane directs water off your trailer for added security.

Family owned for 25 years, Gulf Stream Coach is a leading manufacturer of high quality and high value RV products that are distributed through a partnership of independent dealers who are focused on exceeding customer expectations. Located in the heart of the Amish country, the Gulf Stream complex covers over 200 acres and includes more than 1.5 million square feet of state-of-the-art manufacturing facilities fostering the most creative and innovative culture in the RV industry.

Gulf Stream has been awarded the prestigious Platinum Recreational Vehicle Manufacturer Quality & Productivity Award multiple times in recognition of our commitment to producing quality recreational vehicles.

To protect the environment, Gulf Stream uses Japanese automotive manufacturing techniques to reduce waste and recycle and has won the Governor's Recycling Award in recognition of these initiatives.

Your family and friends will feel safe and comfortable in a Gulf Stream travel trailer or fifth wheel. Compare and you will see the exceptional value!

2-YEAR Warranty!

In addition to our standard one year warranty, Gulf Stream Coach, Inc., offers an exclusive 24 month warranty on structural components. In addition, major component manufacturers are providing 24 month warranties on their products installed in Gulf Stream units such as refrigerators, antenna, furnace, water heater, air conditioner, awning, range, microwave and more. See the official written Gulf Stream Coach, Inc., Warranty for details. *for purposes of this warranty, "structural components" shall be limited to the structure of the side walls, front and back walls, roof and floor.
